"IN THE DAYS OF BUFFALO BILL"

Universal Historical Serial

Starring ART ACCORD

#13 "Trails of Peril"

Her homestead returned to her, Alice, accompanied by Art, returns West in time to see Cody defend the title of champion buffalo slayer against Bill Compstock. Meanwhile, foreign agents in Washington are plotting to obstruct progress of the U.P. by attacking the railroad's finances in the East and undermining the morale of the workmen in the West.

Ashley and Aimes are successful along these lines by means of establishing corrupt saloons, gambling dens and dance halls near the workmen's camps. A strike has been secretly called for a certain day at five minutes past one, but before direct action may be taken, Ashley and Aimes intend to make certain that Art, once more a U.P. scout, is out of the way where he cannot interfere with their machinations.
